

The Agency

Rhode Island Council on the Arts

Agency Operations

The Rhode Island State Council on the Arts was established in 1967. It provides grants, technical assistance and support to arts organizations, schools, community centers, social service organizations, and local governments to bring the arts into the lives of Rhode Islanders. For effective delivery of services to the field, the agency's activities are guided by three core functions: grant-making, partnerships, and facilitation.

Funding within the agency's various grant categories allows the council to address its primary function by awarding grants to non-profit organizations and providing arts programming to support non-profit organizations, schools and individual artists.

The second core function refers to developing strategic partnerships with major institutions and entities from the public and private sectors in order to broaden support for the arts. On-going, formal partnerships that increase resources to Rhode Island are: the National Endowment for the Arts, the New England Foundation for the Arts, the Rhode Island Foundation, the Alliance for Arts Education, Business Volunteers for the Arts, and the Rhode Island State Department of Elementary and Secondary Education.

The third core function of the council includes providing technical assistance and information services. These services include management assistance to individual artists and arts organizations, workshops and general dissemination of information through a wide range of publications.

The Art for Public Facilities Program allows the council to acquire works of art for state buildings regularly accessible to the general public in order to expand the public experience of art. The council coordinates the process for commissioning art in public facilities in compliance with the Allocation for Art for Public Facilities Act.

Agency Objectives

To ensure that the arts in Rhode Island communities continue to grow and play an increasing role in the welfare and educational experience of Rhode Islanders.

Statutory History

R.I.G.L. 42-75 defines the role of the council.
