Formula Aid to Cities and Towns

The **Payment-in-Lieu-of-Taxes (PILOT)** program reimburses communities for up to 27.0 percent of what they would have collected in property taxes from certain designated tax exempt property (subject to appropriation). The FY 2017 revised budget is funded at \$42.0 million and the FY 2018 proposed budget at \$45.2 million which fully funds the aid program at 27.0 percent in FY 2018. Data used to determine distribution amounts is updated annually to reflect the most recent data.

The **Distressed Communities Relief Fund** provides state assistance to municipalities with the highest property tax burdens relative to the wealth of taxpayers. Municipalities are eligible that meet the statutorily determined distressed test in three of four categories. The program is an appropriation of \$12.4 million in FY 2017 revised and is level funded for FY 2018 proposed. The town of Johnston is qualifying for the Distressed Communities Relief Fund in FY 2018. In a year that a municipality newly enters the aid program, it receives 50 percent of current law requirements the first year it qualifies. The city of Cranston is falling out of the program for FY 2018. When any community falls out of the Distressed Communities Relief Fund, it shall receive a one-time payment of 50 percent of the prior year requirement exclusive of any reduction for first year qualification.

The FY 2018 proposed budget continues to provide funding for the **Property Valuation Statistical Update Program**, which partially reimburses cities and towns for legislatively mandated real property valuation statistical updates on a per parcel basis. Funding for FY 2017 revised is estimated at \$559,901. The proposed FY 2018 funding is \$937,228 for the estimated cost of reimbursement and will be updated as communities' contract for statistical update services are received.

Funding for **Aid to Local Libraries** is at \$9.4 million in FY 2017 revised and level funded in FY 2018 proposed. In addition, funding for library construction aid is provided at \$2.2 million in FY 2017 revised and \$2.3 million in FY 2018 proposed to finance anticipated debt service or construction reimbursement obligations under this program.

The 1998 General Assembly enacted the **Motor Vehicle Excise Tax Phase-Out** legislation to phase out the excise tax on motor vehicles and trailers over an original seven year period. There have been various changes to the legislation since its inception. For FY 2011 and thereafter, the General Assembly enacted legislation that mandates a \$500 exemption for which the State will reimburse municipalities an amount subject to appropriation. The legislation further allows municipalities to provide an additional exemption; however, that additional exemption will not be subject to reimbursement. The Assembly removed the provision that restricted municipalities from taxing the difference in the event that the value of a vehicle is higher than the prior fiscal year. It also allowed for rates and ratios of assessment to be lowered from the current frozen levels. Total funding in the FY 2017 revised and FY 2018 proposed budgets to support this program is \$10.0 million. Data used to determine distribution amounts for FY 2017 revised are an estimate based on FY 2016 data and will be updated once finalized motor vehicle tax rolls are processed in the spring of 2017. Data used to determine distribution amounts for the FY 2018 proposed budget is an estimate based on FY 2016 data and will change once finalized December 31, 2016 motor vehicle tax rolls are received and processed in the fall of 2017.

The **Public Service Corporation Tax** is for certain tangible personal property of telegraph, cable and telecommunications corporations and express corporations that is exempt from local taxation, and instead is subject to taxation by the State. The revenue from this tax flows through the State (it is not appropriated by the State). The revenues (apart from some administrative expenses) are apportioned to the cities and towns based on the ratio of each municipality's population relative to the total population of the State. The disbursements for FY 2017 revised total \$13.6 million. FY 2018 proposed is a level funded estimate based on FY 2017 data and will change once 12/31/16 tax data is received and processed in the spring of 2017.

Formula Aid to Cities and Towns

The 1986 General Assembly enacted the **Local Hotel Tax**, a five percent hotel tax upon the total consideration charged for occupancy of any space furnished by any hotel of the state. Twenty-five percent of the revenues generated from the 5.0 percent state hotel tax are distributed to the municipalities where the individual hotels are located. Furthermore, the 2004 General Assembly enacted a one percent gross receipts tax on the total consideration charged for occupancy of any space furnished by a hotel of the state. The taxes are collected by the Division of Taxation and distributed at least quarterly to the city or town where the hotel was located.

For FY 2017 revised, a combined amount is provided at \$10.5 million. For the FY 2018 proposed budget, the amount is estimated to be \$10.7 million. Effective July 1, 2015, the hotel tax base was expanded to include the rental of rooms by online travel companies and hosting platforms; and the rental of vacation homes by realtors and home owners. Data from FY 2016 on include revenues from these expansions.

The 2003 General Assembly enacted the **Local Meals and Beverage Tax**, a one percent additional tax on gross receipts from the sale of food and beverages sold in or on eating and drinking establishments. The tax is collected by the Division of Taxation and then distributed back to the city or town in which the meals and beverages were delivered. Distributions under this tax are projected to total \$27.2 million in FY 2017 revised and \$28.9 million in FY 2018 proposed.
