

Gina M. Raimondo, Governor

State of Rhode Island and **Providence Plantations** Fiscal Year 2018

Technical Appendix

Generally, the amounts reflected in the categories of expenditures in the *FY 2018 Executive Summary* and in the *FY 2017 Budget* were derived by identifying amounts spent or budgeted in certain budget object codes. The transition from the Rhode Island State Automated Information Link system (RISAIL) to the Rhode Island Financial Accounting Network System (RIFANS) on July 1, 2006, provided opportunity to classify expenditures in hierarchical order of major categories. Each category is described in the following sections with the associated natural codes listed below.

Salary/Wages and Other Compensation and Employee Benefit Programs:

Includes expenditures for salaries, wages, fringe benefits, and workers' compensation costs. The personnel category includes all payments for all individuals employed by the state.
