Department of Administration
BUDGET OFFICE

Providence, R.I. 02908-5886

MEMORANDUM

To: The Honorable Marvin L. Abney
Chairman, House Finance Committee

The Honorable William J. Conley, Jr.
Chairman, Senate Finance Committee

From: Thomas A. Mullaney *Thomas A. Mullaney*
Executive Director/State Budget Officer

Date: March 12, 2019

Subject: Amendments to Article 12 of the FY 2020 Appropriations Act
(19-H-5151)

The Governor requests that Article 12 entitled "Relating to Economic Development" submitted on January 17, 2019 be replaced with the attached version. The new version contains amendments to the following sections:

Section 13

There is an amendment that deletes and replaces text. The replacement (new) text was not underlined. It is underlined in Sub A to clearly show the text change.

Section 20

Under Legislative Findings, adds a new (6) to expand on purposes of legislation and reference the use of Quonset as inspiration for this program.

Under Assistance to Municipalities, cleans up subsection (a) by deleting extraneous language and inserting clarifying language that the council may participate in the management or operation of a project at the request of a municipality, clarifies in (b) that there may be fee- or revenue- sharing when the state assists a municipality with a development project, and in (c) clarifies that either the QDC or State and Local Partnership Council can recommend a project for an enhanced TSI and the Commerce Corporation provides the TSI certifications (a project can go to either entity for assistance). In the case of the proposed changes to (a) and (b), these powers were inherent to the previous version; however, this language provides clarity.

Under Site Readiness, consolidates language from subsections (a)(1) and (a)(2), explicitly states that DBR is a partner in providing site readiness assistance to municipalities (which was assumed, but not explicit), and adds language to specify the types of projects that would be eligible for the building capacity & delegation components to the site readiness program consistent with preexisting language in the "Creation" and "Purposes" sections.

Under Directors, officers, and employees, deletes the reference to the CEO of the Commerce Corporation serving as chair in section a(1) as it conflicted with the language in subsection b(1) that authorizes the governor to appoint the chair. The latter was the intended approach.

Section 21

There is a typo that references the wrong section of U.S.C.; the incorrect reference to "12" U.S.C. is replaced with "26".

Section 23

There is a typo that references the wrong section of U.S.C.; the incorrect reference to "12" U.S.C. is replaced with "26".

Section 25

Enhanced R&D: There was a drafting error that erroneously left out language that creates a \$250,000 cap and limits the credit to a maximum of 5 applications (years) per applicant.

If you have any questions regarding this amendment, please feel free to call me at 222-6300.

21 or property located in the Quonset Business Park, or from any location outside the boundaries of the

5 stormwater management and conveyance systems at least forty-eight (48) hours prior to ceasing service.
6 The corporation may assess any person or entity any fees, charges, and assessments affiliated with the shut
7 off and restoration of service.

8 (6) Without in any way limiting the foregoing powers and authority, the corporation is also hereby

23 supply authority to purchase, acquire, and receive water supply and water service.

2 district, or other water supply authority that receives or has a connection with the city of Providence and/or
3 the Providence Water Supply Board (or any successor thereof) and purchase, connect to, receive, and enter
4 into agreements to receive water supply from any city, town, county, water district, or other water supply
5 authority regardless of the origin of such water supply. The city of Providence and the Providence Water
6 Supply Board (and any successor thereof) are authorized and directed to supply water to the Quonset
7 Business Park either directly or via connections between the Quonset Development Corporation and any
8 city, town, county, water district, or other water supply authority, notwithstanding any terms to the contrary
9 in any agreement, including, without limitation, any agreement between any city, town, county, water
10 district, or other water supply authority and the city of Providence and/or the Providence Water Supply
11 Board (or its or their predecessors), or the provisions of chapter 16 of title 39. In addition, the provisions of
12 § 18 of chapter 1278 of the public laws of Rhode Island of 1915 as amended, and any other public law that
13 would conflict with the terms hereof, are hereby amended to authorize the provision of water supply by the
14 city of Providence and the Providence Water Supply Board (or any successor thereof) to the Quonset
15 Business Park and to authorize any additional connections in accordance herewith. There shall be no
16 requirement that the corporation demonstrate public necessity before entering into such agreements,
17 connecting to such water supplies, or receiving such water as described in this subsection, but the
18 corporation shall be subject to the other applicable provisions of chapter 15 of title 46.

19 (d) The corporation shall have and may exercise all powers set forth in general laws § 42-64.33-6,
20 § 42-64.33-7 and § 42-64.33-9 in the place and stead of the state and local partnership council but only to
21 the extent the state and local partnership council has not exercised jurisdiction with respect to the subject
22 matter or project over which the corporation intends to act, and upon the exercise of such powers in relation
23 to a municipality or a project therein, notice of which shall be provided to the state and local partnership
24 council of the exercise of jurisdiction by the corporation. The corporation shall have exclusive jurisdiction
25 and authority of the subject matter thereof to the exclusion of the state and local partnership council, unless
26 otherwise agreed to in writing by the corporation.

9 **§ 42-64.20-5. Tax credits.**

10 (a) An applicant meeting the requirements of this chapter may be allowed a credit as set forth
11 hereinafter against taxes imposed upon such person under applicable provisions of title 44 of the general
12 laws for a qualified development project.

13 (b) To be eligible as a qualified development project entitled to tax credits, an applicant's chief
14 executive officer or equivalent officer shall demonstrate to the commerce corporation, at the time of
15 application, that:

16 (1) The applicant has committed capital investment or owner equity of not less than twenty percent
17 (20%) of the total project cost;

18 (2) There is a project financing gap in which after taking into account all available private and

7 (iii) Involves a total project cost of not less than \$5,000,000, except for a qualified development
8 project located in a hope community or redevelopment area designated under § 45-32-4 in which event the
9 commerce corporation shall have the discretion to modify the minimum project cost requirement.

10 (c) The commerce corporation shall develop separate, streamlined application processes for the
11 issuance of Rebuild RI tax credits for each of the following:

12 (1) Qualified development projects that involve certified historic structures;

13 (2) Qualified development projects that involve recognized historical structures;

14 (3) Qualified development projects that involved at least one manufacturer; and

15 (4) Qualified development projects that include affordable housing or workforce housing.

16 (d) Applications made for a historic structure or recognized historic structure tax credit under
17 chapter 33.6 of title 44 shall be considered for tax credits under this chapter. The division of taxation, at
18 the expense of the commerce corporation, shall provide communications from the commerce corporation
19 to those who have applied for and are in the queue awaiting the offer of tax credits pursuant to chapter 33.6
20 of title 44 regarding their potential eligibility for the Rebuild RI Tax Credit program.

21 (e) Applicants (i) who have received the notice referenced in subsection (d) above and who may be
22 eligible for a tax credit pursuant to chapter 33.6 of title 44, (ii) whose application involves a certified historic
23 structure or recognized historical structure, or (iii) whose project is occupied by at least one manufacturer

12 as determined by the commerce corporation.

13 (ii) The credit allowed pursuant to this chapter shall not exceed fifteen million dollars
14 (\$15,000,000) for any qualified development project under this chapter. No building or qualified
15 development project to be completed in phases or in multiple projects shall exceed the maximum project
16 credit of fifteen million dollars (\$15,000,000) for all phases or projects involved in the rehabilitation of
17 such building. Provided, however, that for purposes of this subsection and no more than once in a given
18 fiscal year, the commerce corporation may consider the development of land and buildings by a developer
19 on the "I-195 land" (as defined in § 42-64.24-3(6) of the general laws) as a separate, qualified development
20 project from a qualified development project by a tenant or owner of a commercial condominium or similar
21 legal interest including leasehold improvement, fit out, and capital investment. Such qualified development
22 project by a tenant or owner of a commercial condominium or similar legal interest on the I-195 land may
23 be exempted from subparagraph (~~fd~~)(i)(1). Separate buildings on the I-195 land may be considered to be
24 separate qualified development projects when determining eligibility under this chapter.

25 (~~eg~~) Credits available under this chapter shall not exceed twenty percent (20%) of the project cost,
26 provided, however, that the applicant shall be eligible for additional tax credits of not more than ten percent

1 (10%) of the project cost, if the qualified development project meets any of the following criteria or other
2 additional criteria determined by the commerce corporation from time to time in response to evolving
3 economic or market conditions:

4 (1) The project includes adaptive reuse or development of a recognized historical structure;

5 (2) The project is undertaken by or for a targeted industry;

6 (3) The project is located in a transit-oriented development area;

7 (4) The project includes residential development of which at least twenty percent (20%) of the
8 residential units are designated as affordable housing or workforce housing;

9 (5) The project includes the adaptive reuse of property subject to the requirements of the industrial
10 property remediation and reuse act, § 23-19.14-1 et seq.; or

11 (6) The project includes commercial facilities constructed in accordance with the minimum
12 environmental and sustainability standards, as certified by the commerce corporation pursuant to
13 Leadership in Energy and Environmental Design or other equivalent standards.

14 (fh) Maximum aggregate credits. The aggregate sum authorized pursuant to this chapter shall not
15 exceed one-two hundred fifty million dollars (~~\$150~~250,000,000), and the commerce corporation shall
16 promulgate guidelines regarding the amounts to be authorized for certified historic structures, recognized
17 historical structures, and residential projects.

18 (gi) Tax credits shall not be allowed under this chapter prior to the taxable year in which the project
19 is placed in service.

20 (hj) The amount of a tax credit allowed under this chapter shall be allowable to the taxpayer in up
21 to five, annual increments; no more than thirty percent (30%) and no less than fifteen percent (15%) of the
22 total credits allowed to a taxpayer under this chapter may be allowable for any taxable year.

23 (ik) If the portion of the tax credit allowed under this chapter exceeds the taxpayer's total tax
24 liability for the year in which the relevant portion of the credit is allowed, the amount that exceeds the
25 taxpayer's tax liability may be carried forward for credit against the taxes imposed for the succeeding four
26 (4) years, or until the full credit is used, whichever occurs first. Credits allowed to a partnership, a limited

1 liability company taxed as a partnership, or multiple owners of property shall be passed through to the
2 persons designated as partners, members, or owners respectively pro rata or pursuant to an executed
3 agreement among such persons designated as partners, members, or owners documenting an alternate
4 distribution method without regard to their sharing of other tax or economic attributes of such entity.

5 (~~jl~~) The commerce corporation in consultation with the division of taxation shall establish, by
6 regulation, the process for the assignment, transfer, or conveyance of tax credits.

7 (~~km~~) For purposes of this chapter, any assignment or sales proceeds received by the taxpayer for
8 its assignment or sale of the tax credits allowed pursuant to this section shall be exempt from taxation under
9 title 44. If a tax credit is subsequently revoked or adjusted, the seller's tax calculation for the year of
10 revocation or adjustment shall be increased by the total amount of the sales proceeds, without proration, as
11 a modification under chapter 30 of title 44. In the event that the seller is not a natural person, the seller's
12 tax calculation under chapters 11, 13, 14, or 17 of title 44 of the general laws, as applicable, for the year of
13 revocation, or adjustment, shall be increased by including the total amount of the sales proceeds without
14 proration.

15 (~~ln~~) The tax credit allowed under this chapter may be used as a credit against corporate income
16 taxes imposed under chapters 11, 13, 14, or 17, of title 44, or may be used as a credit against personal
17 income taxes imposed under chapter 30 of title 44 for owners of pass-through entities such as a partnership,
18 a limited liability company taxed as a partnership, or multiple owners of property.

19 (~~mo~~) In the case of a corporation, this credit is only allowed against the tax of a corporation included
20 in a consolidated return that qualifies for the credit and not against the tax of other corporations that may
21 join in the filing of a consolidated tax return.

22 (~~np~~) Upon request of a taxpayer and subject to annual appropriation, the state shall redeem such
23 credit, in whole or in part, for ninety percent (90%) of the value of the tax credit. The division of taxation,
24 in consultation with the commerce corporation, shall establish by regulation a redemption process for tax
25 credits.

1 (~~eq~~) Projects eligible to receive a tax credit under this chapter may, at the discretion of the
2 commerce corporation, be exempt from sales and use taxes imposed on the purchase of the following classes
3 of personal property only to the extent utilized directly and exclusively in such project: (1) Furniture,
4 fixtures and equipment, except automobiles, trucks, or other motor vehicles; or (2) Such other materials,
5 including construction materials and supplies, that are depreciable and have a useful life of one year or
6 more and are essential to the project.

7 (~~pr~~) The commerce corporation shall promulgate rules and regulations for the administration and
8 certification of additional tax credit under subsection (e), including criteria for the eligibility, evaluation,
9 prioritization, and approval of projects that qualify for such additional tax credit.

10 (~~qs~~) The commerce corporation shall not have any obligation to make any award or grant any
11 benefits under this chapter.

13 Island Tax Credit Act” is hereby amended to read as follows:

14 **§ 42-64.20-7. Rebuild Rhode Island tax credit fund.**

15 (a) There is hereby established at the commerce corporation a restricted account known as the
16 rebuild Rhode Island tax-credit fund (the "~~Fund~~fund") in which all amounts appropriated for the program
17 created under this chapter shall be deposited. The fund shall be used (~~it~~) to pay for the redemption of tax
18 credits or reimbursement to the state for tax credits applied against a taxpayer's liability. The commerce
19 corporation may pledge and reserve amounts deposited into the fund for the purpose of securing payment
20 for the redemption of tax credits or for making reimbursements to municipalities pursuant to chapter 64.22
21 of title 42 of the general laws. The fund shall be exempt from attachment, levy, or any other process at law
22 or in equity. The director of the department of revenue shall make a requisition to the commerce corporation
23 for funding during any fiscal year as may be necessary to pay for the redemption of tax credits presented
24 for redemption or to reimburse the state for tax credits applied against a taxpayer’s tax liability. The
25 commerce corporation shall pay from the fund such amounts as requested by the director of the department
26 of revenue necessary for redemption or reimbursement in relation to tax credits granted under this chapter;

1 provided, however, that the commerce corporation shall not be required to pay from the fund such sums
2 pledged and reserved by the commerce corporation, as permitted in this section, except for redemption of
3 tax credits.

4 (b) Notwithstanding anything in this chapter to the contrary, the commerce corporation may make
5 a loan or equity investment as an alternative incentive in lieu of the provision of tax credits so long as the
6 applicant otherwise qualifies for tax credits under this chapter. In addition to the qualification requirements
7 of this chapter, any loan or equity investment shall be subject to the provisions of §§ 42-64.20-5(b), ~~(d),~~
8 ~~(e), (f), (g), (n), (o), (ph), (j), (q), (r), and (s), and (q),~~ 42-64.20-7, 42-64.20-8, 42-64.20-9, and 42-64.20-10
9 as if such loan or equity investment were a tax credit. The commerce corporation may pay, reserve, and/or
10 pledge monies for a loan or equity investment from the fund.

11 (c) The commerce corporation may provide appropriate technical assistance to an applicant for tax
12 credits for projects under this chapter, including projects involving historic structures and recognized
13 historical structures to enable the applicant to provide all information and data necessary for the
14 consideration of its application by the commerce corporation. The cost of technical assistance provided to
15 applicants can be paid from the fund in an amount not to exceed \$250,000 per year.

16 SECTION 6. Section 42-64.20-10 of the General Laws in Chapter 42-64.20 entitled “Rebuild
17 Rhode Island Tax Credit Act” is hereby amended to read as follows:

18 **§ 42-64.20-10. Sunset.**

21 SECTION 7. Section 42-64.21-5 of the General Laws in Chapter 42-64.21 entitled “Rhode Island
22 Tax Increment Financing” is hereby amended as follows:

23 **§ 42-64.21-5. Financing.**

24 (a) Up to the limits established in subsection (b) of this section and in accordance with a TIF
25 agreement, the division of taxation shall pay to the developer incremental state revenues directly realized
26 from projects or businesses operating in the qualifying TIF area from the taxes assessed and collected under

1 chapters 11, 13, 14, 17, 18, 19, and 30 of Title 44 of the general laws or realized from such venue ticket
2 sales or parking taxes as may be established and levied under state law.

3 (b) Up to 75 percent of the projected annual incremental revenues may be allocated under a TIF
4 agreement. The incremental revenue for the revenues listed in subsection (a) of this section shall be
5 calculated as the difference between the amount collected in any fiscal year from any eligible revenue
6 source included in the TIF agreement, less the revenue increment base for that eligible revenue.

7 (c) The division of taxation is hereby authorized and empowered to segregate the annual
8 incremental revenues allocated under a TIF agreement and transfer such amounts to the general treasurer
9 for deposit in a restricted account known as the TIF fund. The TIF fund shall be used solely to pay for the
10 incentives granted under this chapter. The director of the department of revenue shall annually determine
11 if a surplus exists in the TIF fund over amounts necessary to fund incentives under this chapter in a fiscal
12 year and may authorize the general treasurer to transfer any surplus to the general fund. The unexpended
13 balance of such sum of money received and appropriated for the TIF fund remaining in the treasury at the
14 close of each fiscal year, shall be continued to and is hereby annually appropriated for the same account for
15 the ensuing year.

16 (d) Under conditions defined by the commerce corporation and in consultation with the department
17 of revenue, ~~those all taxes eligible for inclusion in this TIF program~~ identified in § 42-64.21-5(a) that would
18 otherwise comprise 75% of the incremental revenue available for allocation under § 42-64.21-5(b), may
19 instead be exempted by the commerce corporation up to the levels permitted by this act in cases of
20 significant taxpayers or for transactions occurring within a qualifying TIF area. Any incremental tax
21 revenue exempted by the commerce corporation pursuant to this act shall not be assessed and/or collected
22 as a tax from any person or entity. Such significant taxpayers, and any other person or entity entering into
23 a contract with the commerce corporation consummating a transaction giving rise to the exemptions
24 provided pursuant to this subsection, may shall instead be required to contribute payments in lieu of taxes
25 (PILOTs) into a dedicated fund established by the commerce corporation. Such payments shall be up to 75
26 percent of equal to the amount that would otherwise be due to the state in the form of taxation in the absence

1 ~~of such exemption as per the provisions of this statute.~~ Such dedicated funds must be used for the purposes
2 described in this act. The balance of said state revenue not subject to an exemption under this act shall be
3 deposited in the general fund in the ordinary course by the division of taxation. The commerce corporation
4 and any other person or entity entering into transactions pursuant to this act shall provide to the division of
5 taxation in a format it may reasonably require, such information that will allow it to confirm compliance
6 with this act, the terms of the documents related to the transactions giving rise to the exemptions, and all
7 applicable state law. The commerce corporation may issue revenue bonds secured by this dedicated fund.
8 Such bonds shall not be a general obligation of the state.

9 (e) The commerce corporation shall promulgate an application form and procedure for the program.

15 (1) Rhode Island is home to a growing economy and municipalities are partners in the state’s
16 economic growth.

17 (2) The state seeks to work in even closer partnership with cities and towns to support economic
18 development throughout the state.;

19 (3) The state seeks to serve as resource and partner for best practices and technical assistance to
20 enable the continued growth of cities and towns.;

21 (4) Cities and towns have achieved great progress over the past four years through initiatives such
22 as LEAN programs, e-permitting, and other process improvement programs and these successes should be
23 built upon and expanded.;

24 (5) Expanding statewide efforts in land-assembly and site-preparation is a core recommendation of
25 the 2015 Brookings report “Rhode Island Innovates”.;

1 (6) There is significant interest in using the Quonset Development Corporation as a model of
2 successful pre-permitting and shovel-ready site development, and to build off the success of Quonset to
3 identify and prepare pad-ready development sites around the state.

4 (76) Rhode Island lacks readily developable land and this lack of shovel ready sites can prevent
5 manufacturers and other firms from locating in Rhode Island.

6 (87) Rhode Island can create a national model that integrates economic development processes
7 across the state in a mutually accountable partnership with cities and towns and Rhode Island can develop
8 an attractive portfolio of pre-permitted sites.

9 (98) This approach, the Site Readiness Partnership, is premised upon cities and towns opting in –
10 participating in ways that are of the greatest value to the local community involved.

6 the existence of the council, all of its rights and properties shall pass to and be vested in the commerce

1 participation by a municipality in the program or a contract entered into between the council and such
2 municipality pursuant to § 42-64.33-5(b) of this section, no municipality or other political subdivision of
3 the state shall have the power to modify or change in whole or in part the drawings, plans, or specifications
4 for any parcel, tract, area or project adopted by the council; nor to require that any person, firm, or council

9 accordance with the terms of those drawings, plans, specifications, or contracts shall not subject the person,
10 firm, or council to any civil liability or penalty, other than as may be stated in the contracts or may be
11 incidental to the proper enforcement thereof; nor shall any municipality or political subdivision have the
12 power to require the council, or any lessee or successor in interest, to obtain any approval, permit, or
13 certificate from the municipality or political subdivision as a condition of owning, using, maintaining,
14 operating, or occupying any parcel, tract, area or project acquired, constructed, reconstructed, rehabilitated,
15 altered, or improved by the council or pursuant to drawings, plans, and specifications made or approved by
16 the council; provided, however, that nothing contained in this subsection shall be deemed to relieve any
17 person, firm, or council from the necessity of obtaining from any municipality or other political subdivision
18 of the state any license which, but for the provisions of this chapter, would be required in connection with
19 the rendering of personal services or sale at retail of tangible personal property.

20 (d) Except to the extent that the council shall expressly otherwise agree, a municipality or political
21 subdivision, including, but not limited to, a county, city, town, or district, in which a project of the council
22 is located, shall provide for the project, whether then owned by the council or any successor in interest,
23 police, fire, sanitation, health protection, and other municipal services of the same character and to the same
24 extent as those provided for other residents of that municipality or political subdivision, but nothing
25 contained in this section shall be deemed to require any municipality or political subdivision to make capital
26 expenditures for the sole purpose of providing any of these services for that project.

1 **§ 42-64.33-10. Directors, officers and employees.**

2 (a)(1) Directors. The powers of the council shall be vested in a board of directors consisting of nine
3 (9) members. The membership of the board shall consist of ~~the chief executive officer of the Rhode Island~~
4 ~~commerce corporation as a~~ chairperson, (who shall vote only in the event of a tie), and eight (8) members
5 appointed by the governor. The initial members of the board appointed by the governor shall be divided
6 into three (3) classes and shall serve initial terms on the board of directors as follows: three (3) of the
7 directors shall be appointed for an initial term of one year; three (3) of the directors, shall be appointed for
8 an initial term of two (2) years; and two (2) of the directors shall be appointed for an initial term of three
9 (3) years. Upon expiration of each initial term and upon the expiration of each term thereafter, a successor
10 shall be appointed by the governor, to serve for a term of three (3) years so that members of the board of
11 directors shall serve for staggered terms of three (3) years each. Two (2) members of the board shall be
12 representatives of the municipalities of Rhode Island. A vacancy on the board, other than by expiration,
13 shall be filled in the same manner as an original appointment, but only for the unexpired portion of the term.
14 A member shall be eligible to succeed himself or herself. Appointed directors shall not serve more than two
15 (2) successive three (3) year terms but may be reappointed after not being a director for a period of at least
16 twelve (12) months. Each appointed director shall hold office for the term for which the director is appointed
17 and until the director's successor shall have been appointed and qualified, or until the director's earlier death,
18 resignation or removal.

19 (2) The directors shall receive no compensation for the performance of their duties under this
20 chapter, but each director shall be reimbursed for his or her reasonable expenses incurred in carrying out
21 those duties. A director may engage in private employment, or in a profession or business.

22 (3) Regular meetings of the directors shall be held at least once in each calendar quarter, at the call
23 of the chairperson or secretary, or in accordance with an annual schedule of meetings adopted by the board.
24 Special meetings may be called for any purposes by the chairperson or the secretary and as provided for in
25 the bylaws of the council.

1 (4) A majority of the directors then in office, but not less than three (3) directors, shall constitute a
2 quorum, and any action to be taken by the council under the provisions of this chapter, may be authorized
3 by resolution approved by a majority of the directors present and entitled to a vote at any regular or special
4 meeting at which a quorum is present. A vacancy in the membership of the board of directors shall not
5 impair the right of a quorum to exercise all of the rights and perform all of the duties of the council. Any
6 action taken by the council under the provisions of this chapter may be authorized by a vote at any regular
7 or special meeting, and each vote shall take effect immediately, unless otherwise provided in the vote or
8 approving resolution of the board.

9 (b) Officers. The officers of the council shall include a chairperson, a secretary, and such other
10 officers as the board may from time to time establish.

11 (1) Chairperson. The governor shall appoint the chairperson of the board who shall, with the
12 concurrence of the board, appoint committee members, and preside at meetings of the board.

13 (2) Presiding Officer. The chairperson shall, from time to time, designate a presiding officer from
14 amongst the members of the board who shall preside at a given meeting in the absence of the chairperson.

15 (3) Other officers. The board shall appoint a secretary, the duties of whom shall be prescribed in
16 the bylaws of the council.

17 (4) With the exception of the chairperson, any number of offices may be held by the same person,
18 unless the bylaws provide otherwise.

19 **§ 42-64.33-11. Liability of the Council.**

20 The council is, subject to the period of limitations set forth in § 9-1-25, liable in actions of tort only
21 to the extent that those actions do not arise from the performance of any functions found or deemed to be
22 essential or discretionary governmental functions. Any recovery in an action or any recovery by any person
23 in one or more of any actions against the council, its directors, employees, or agents, shall not exceed one
24 hundred thousand dollars (\$100,000) per plaintiff in the absence of fraud or willful misconduct. In the
25 absence of fraud or willful misconduct, the directors are not personally liable to any party on account of
26 any action (whether tort or otherwise) arising from or related to the manner or terms of the disposition of

1 the council's assets, nor shall the manner or terms of the disposition constitute a defense to any obligation
2 owed to the council.

3 **§ 42-64.33-12. Compliance.**

4 The council shall comply with the following laws:

5 (a) Code of ethics, chapter 14 of title 36;

6 (b) Opening meetings, chapter 46 of this title;

11 to purchasing principles, policies, and practices, and by §§ 35-3-17.1, 35-6-37, 35-7-13, 35-7-14, 35-20-6,
12 35-20-9, 42-11.3-2 and 42-11.3-4(A).

13 **§ 42-64.33-13. Consistency with other statutes.**

14 (a) *The Rhode Island Commerce Corporation Act.* Except as otherwise expressly provided by this
15 chapter, the council shall have the powers necessary to accomplish the purposes set forth in chapter 64 of
16 this title. The council shall be, in the manner set forth in this chapter, a subsidiary of the commerce
17 corporation notwithstanding the requirements of § 42-64-7.1, and this chapter shall be deemed fully
18 satisfactory for purposes of § 42-64-7.1 as necessary to effectuate the provisions of this chapter.

19 (b) *Other state laws.* Nothing contained in this chapter shall restrict or limit the powers of the
20 council arising under any laws of this state except where those powers are expressly contrary to the
21 provisions of this chapter; provided, however, that the council shall not have any power to create, empower,
22 or otherwise establish any corporation, subsidiary corporation, corporate body, any form of partnership, or
23 any other separate entity, without the express approval and authorization of the general assembly. Except
24 as otherwise provided, this chapter shall be construed to provide a complete additional and alternative
25 method for doing the things authorized hereby and shall be regarded as supplemental and in addition to the
26 powers conferred by other laws.

1 **§ 42-64.33-14. Inconsistent provisions.**

2 Insofar as the provisions of this chapter are inconsistent with the provisions of any other law or
3 ordinance, general, special or local, the provisions of this chapter shall be controlling.

4 **§ 42-64.33-15. Construction – Liberal construction.**

5 This chapter, being necessary for the welfare of the state and its inhabitants, shall be liberally
6 construed so as to effectuate its purposes.

7 **§ 42-64.33-16. Severability.**

8 If any clause, sentence, paragraph, section, or part of this chapter shall be adjudged by any court of
9 competent jurisdiction to be invalid, that judgment shall not affect, impair, or invalidate the remainder of
10 the chapter but shall be confined in its operation to the clause, sentence, paragraph, section, or part directly
11 involved in the controversy in which that judgment shall have been rendered.

12 **§ 42-64.33-17. Reporting requirements.**

13 The council shall publish a report summarizing municipality participation in the program within
14 sixty (60) days after the end of each fiscal year. The report shall contain information on the commitment,
15 disbursement, and use of funds expended by the council in relation to assistance to municipalities.

16 SECTION 21. Section 44-11-11 of the General Laws in Chapter 44-11 entitled “Business
17 Corporation Tax” is hereby amended to read as follows:

18 **§ 44-11-11. “Net income” defined.**

19 (a)(1) “Net income” means, for any taxable year and for any corporate taxpayer, the taxable income
20 of the taxpayer for that taxable year under the laws of the United States, plus:

21 (i) Any interest not included in the taxable income;

22 (ii) Any specific exemptions;

23 (iii) The tax imposed by this chapter; and minus

24 (iv) Interest on obligations of the United States or its possessions, and other interest exempt from
25 taxation by this state; and

26 (v) The federal net operating loss deduction.

1 (2) All binding federal elections made by or on behalf of the taxpayer applicable either directly or
2 indirectly to the determination of taxable income shall be binding on the taxpayer except where this chapter
3 or its attendant regulations specifically modify or provide otherwise. Rhode Island taxable income shall not
4 include the "gross-up of dividends" required by the federal Internal Revenue Code to be taken into taxable
5 income in connection with the taxpayer's election of the foreign tax credit.

6 (b) A net operating loss deduction shall be allowed which shall be the same as the net operating
7 loss deduction allowed under 26 U.S.C. § 172, except that:

8 (1) Any net operating loss included in determining the deduction shall be adjusted to reflect the
9 inclusions and exclusions from entire net income required by subsection (a) of this section and § 44-11-
10 11.1;

11 (2) The deduction shall not include any net operating loss sustained during any taxable year in
12 which the taxpayer was not subject to the tax imposed by this chapter; and

13 (3) The deduction shall not exceed the deduction for the taxable year allowable under 26 U.S.C. §
14 172; provided, that the deduction for a taxable year may not be carried back to any other taxable year for
15 Rhode Island purposes but shall only be allowable on a carry forward basis for the five (5) succeeding
16 taxable years.

17 (c) "Domestic international sales corporations" (referred to as DISCs), for the purposes of this
18 chapter, will be treated as they are under federal income tax law and shall not pay the amount of the tax
19 computed under § 44-11-2(a). Any income to shareholders of DISCs is to be treated in the same manner as
20 it is treated under federal income tax law as it exists on December 31, 1984.

21 (d) A corporation which qualifies as a "foreign sales corporation" (FSC) under the provisions of
22 subchapter N, 26 U.S.C. § 861 et seq., and which has in effect for the entire taxable year a valid election

24 Any income to shareholders of FSCs is to be treated in the same manner as it is treated under federal income
25 tax law as it exists on January 1, 1985.

1 (e) For purposes of a corporation’s state tax liability, any deduction to income allowable under 26
2 U.S.C. 1400Z-2(c) may be claimed in the case of any investment held by the taxpayer for at least seven
3 years. The division of taxation shall promulgate, in its discretion, rules and regulations relative to the
4 accelerated application of deductions under ~~1226~~ U.S.C. 1400Z-2(c).

5 SECTION 22. Section 44-30-2.6 of the General Laws in Chapter 44-30 entitled “Personal Income
6 Tax” is hereby amended to read as follows:

7 **§ 44-30-2.6. Rhode Island taxable income – Rate of tax.**

8 (a) “Rhode Island taxable income” means federal taxable income as determined under the Internal
9 Revenue Code, 26 U.S.C. § 1 et seq., not including the increase in the basic, standard-deduction amount
10 for married couples filing joint returns as provided in the Jobs and Growth Tax Relief Reconciliation Act
11 of 2003 and the Economic Growth and Tax Relief Reconciliation Act of 2001 (EGTRRA), and as modified
12 by the modifications in § 44-30-12.

13 (b) Notwithstanding the provisions of §§ 44-30-1 and 44-30-2, for tax years beginning on or after
14 January 1, 2001, a Rhode Island personal income tax is imposed upon the Rhode Island taxable income of
15 residents and nonresidents, including estates and trusts, at the rate of twenty-five and one-half percent
16 (25.5%) for tax year 2001, and twenty-five percent (25%) for tax year 2002 and thereafter of the federal
17 income tax rates, including capital gains rates and any other special rates for other types of income, except
18 as provided in § 44-30-2.7, which were in effect immediately prior to enactment of the Economic Growth
19 and Tax Relief Reconciliation Act of 2001 (EGTRRA); provided, rate schedules shall be adjusted for
20 inflation by the tax administrator beginning in taxable year 2002 and thereafter in the manner prescribed
21 for adjustment by the commissioner of Internal Revenue in 26 U.S.C. § 1(f). However, for tax years
22 beginning on or after January 1, 2006, a taxpayer may elect to use the alternative flat tax rate provided in §
23 44-30-2.10 to calculate his or her personal income tax liability.

24 (c) For tax years beginning on or after January 1, 2001, if a taxpayer has an alternative minimum
25 tax for federal tax purposes, the taxpayer shall determine if he or she has a Rhode Island alternative
26 minimum tax. The Rhode Island alternative minimum tax shall be computed by multiplying the federal

1 tentative minimum tax without allowing for the increased exemptions under the Jobs and Growth Tax Relief
